  - A. Community Relations: Christi has contacted a new sponsor for upcoming year: Union Memorial Sports. Christi and Renee will be contacting all other two (2) year sponsors for extension opportunities.
  - B. Merchandise: Kim Shifflet & Trish Schone will be heading this committee and report that ordering of new merchandize for upcoming school year is taking place.
  - C. Concessions: Sue reported that Relay for Life had gross sales of \$860 with Profit of \$300.00 and Donation of \$200.00 to American Cancer Society realized. Revenue from concessions for 2009-2010 was \$12,000 +/- . Concessions will be offered at Field Hockey games utilizing mobile cart like last year. Sue is planning on having team

liaisons to help with concession volunteers; JV will work Varsity and vice versa. Football games have greatest draw and requires the most volunteers. Sue stated that HCPS has a policy that food CAN NOT be cooked on site for concessions. A 7-on-7 Field Hockey Tournament is scheduled for July 31, 2010 and concessions will be provided.

- D. Membership: Lori reported that new membership forms have been provided to Football Team and Golf Team for meetings. The new membership forms will also be included on website this summer. Volunteers will be needed for “manning” tables during the “Back-to-School” activities during first couple of weeks of school.
- E. Fundraising: Rob reported that the biggest single fundraising event has been the Bull Roast which will again take place in Spring 2011. We are looking for new ideas for fundraising and are planning on having a Basket Bingo next Spring along with the Bull Roast. The Bull Roast will then move to the Fall in 2011 and take place in Fall thereafter. A Fall Festival was mentioned for possible event. A “Husky Mall” was discussed with a % of sales of vendors going back to the Booster Club. Mulch Sale was also mentioned.
- F. Scholarship: Two (2) \$500.00 scholarships were awarded as mentioned previously. The basic framework is in place for this committee and new volunteers will be needed due to current committee chair having a senior student. Again, for students to be eligible, their family must be members of the PMAB.

#### 6. Funding Requests:

- Coach Clark has requested reimbursement for Nike Basketball Conference for Coaching Clinic fee of \$120.00. Request granted.
- Boys Lax Regional Championship Banner Cost \$400.00. Request granted.

#### 7. Bull Roast: No new action taken.

#### 8. Elections:

No nominations were received on the website for new officers.

- Rob Keesling will remain as President with no nominations.
- Dan Fuhrman will remain as VP with no nominations.
- Christi Campo will remain as Treasurer with no nominations.
- Colin Mitchell with self-nomination (volunteer) will be Secretary.
- Ross Chenoweth will remain as Member-At-Large with no nominations.
- AD will nominate a new student representative in Fall.

#### 9. Open Discussion:

- Preliminary Goals for 2010-2011: First cycle of uniform replacement funding. AD budget can include minor money for uniforms but typically cannot cover costs for uniforms with all of the other expenses. Uniforms will be on 6-year cycle with Varsity uniforms being replaced and JV getting

Varsity uniforms. Coach Bellamy will have a meeting with coaches this summer to discuss specific team funding requests and present the information in September, 2010. We are anticipating an annual cost of \$15,000 - \$18,000 for uniform replacement through all of the sports teams. Coach Bellamy again stated that old uniforms cannot be sold.

- Coach Roseland indicated that a family of the baseball program has made donations to the program of approximately \$4,000 and wanted to know if some kind of recognition can be provided; Rob asked that Coach Roseland provide an e-mail with information provided.

- Track discussions were presented to membership and the fact that a PM "position paper" was presented to HCPS. According to the AD, he knew of the pending modifications to track since its inception but apparently did not share this information with other members of the PMAB or coaching staff. The AD was concerned that a position paper was presented to HCPS with approval of the executive board of the PMAB. The modifications to the track from a 440 yard to 400 meter track being made will allow for 8 lanes of 36" and will allow for regional competitions. However, hurdles that require 42" will be run in 6 lane configuration.

The next meeting of the Executive Board is scheduled for Tuesday, August 10, 2010 at 7PM in the media center. The next General Membership meeting is scheduled for Monday, August 23, 2010 at 7PM in the media center.

Respectfully submitted,  
Daniel Fuhrman, Vice-President
